

Yuko Logo Terms of Use

The Yuko Logo may only be used by third parties in an area of a website or advertising material exclusively used for the sale of Yuko products. It may only be used to associate Yuko products with the Yuko Logo.

The following must be observed when using the Yuko Logo:

1. The logo must only be used in relation to Yuko products. It must not be used in any way that might imply non-Yuko products or services are affiliated with Yuko.
2. The logo must not be used as the main feature of any area of a website or advertising material. Your own company's logo and name must be used in a more prominent position.
2. The logo must be used as it is provided, and you must not modify the design in any way (for example, change its colour, add or delete any words, change its proportions, etc.).
3. The logo must be used on it's own without any other logos or trademarks being combined or associated with it.
4. The use of the logo must not be detrimental to the value of any of the Phi-ten trademarks, brand integrity, reputation or goodwill.

Phi-ten does not give any warranty, representation or undertaking:

1. as to the efficacy or usefulness of the Yuko Logo; or
2. that the use of the Yuko Logo will not infringe any other intellectual property or other rights of any other person; or
3. that the Yuko Logo will achieve any particular result; or
4. as imposing any obligation on Phi-ten to bring or prosecute actions or proceedings against third parties for intellectual property infringement; or
5. as imposing any liability on Phi-ten in the event that any third party uses the Yuko Logo.

You agree to indemnify Phi-ten against any loss, damages, costs, expenses or liability whatsoever arising out of or resulting from your use of the Yuko Logo.

Phi-ten reserves the right to revoke any authorisation of the use of the Yuko Logo at any time in its sole discretion.

You agree that you will not acquire any rights in any Phi-ten trademark through your use of the Yuko Logo.

You agree that by using the Yuko Logo you agree to all the above terms.
